

Learning Contract for IVSP 318

This form is required for registration in IVSP 318. IVSP 318 is available for 3 credits a semester (with 9 credits total permitted in the course of the IVSP degree program) and can be used for directed study, internship, research, or other special projects.

Student: _____ **Faculty Mentor:** _____

Project/Internship Supervisor (if other than Faculty Mentor): _____

Project Site/Department: _____ **Project Phone #:** _____

Project Address: _____ **Project Fax #:** _____

Semester: _____ **Dates of Internship:** _____

of Hours per Week: ____ **Credits (1-6):** _____

I. Describe the project, internship, or other learning experience. Be specific about your tasks, responsibilities, and requirements. If you are doing an independent readings course, be sure to attach the reading list.

II. Describe the methods by which this learning experience will be evaluated.

- *List specific duties, tasks, projects, etc.*
- *What are the criteria that will be used for grading?*
- *Each student must produce a final academic product reflecting on the 318 experience. Be sure to include a description of what the final project will be and how it will be evaluated by the instructor. (Examples include weekly journals, a final reflection paper, web page or other computer-based project, artistic performance, or other type of project to be determined by you and your Faculty Mentor).*

III. What are your learning goals for this experience?

IV. How will these learning goals be assessed?

V. How often will you and your Faculty Mentor meet throughout the learning experience?
