

**Individual Studies Program
Faculty Evaluation of IVSP 420, Senior Thesis/Capstone Project**

*******Please complete this form and submit it with a copy of your senior thesis or project to the IVSP office by the last day of exams.*******

The Individual Studies Senior Thesis/Project is a significant research project synthesizing the interdisciplinary course of study undertaken by all IVSP students. It is worth three credit hours. IVSP 420 is a culmination of the student's undergraduate study and should be viewed as the capstone experience to the student's IVSP major.

The Individual Studies Program requires that **two faculty members** who have expertise in the student's area of study evaluate and critique the student's thesis or project. The comments will then be submitted to the student's Faculty Mentor, who will determine the final IVSP 420 grade.

I have reviewed _____'s Senior Thesis or Capstone
(Name of IVSP Student)

Project and have submitted my comments to _____.
